## Cleaners & Detail Supplies

### Tire & Wheel Cleaner - 177

Potent liquid cleaner that will penetrate deep to clean and brighten whitewall and white letter tires. Removes dirt, brake dust, bugs, exhaust and other organic materials. Excellent results are obtained when used to clean the entire tire and wheel surface.

Available in 32oz., 1, 5, 15 & 55 gallon sizes

### Engine Degreaser - 112

Engine Degreaser is the first product on the market that blends solvent, water & detergent into one product. This supreme, ready to use formula cleans the whole engine compartment at once.

Engine Degreaser's non-corrosive formula quickly penetrates to dissolve tough grease, grime and oil deposits. Heavy bodied liquid stays longer on vertical surface requiring less material to do the job. Will not harm painted surfaces, metallic parts or engine wiring. Rinses clean with cold water under low or high pressure. Inhibits rust on areas that have been cleaned. Apply with a spray bottle or brush.

Available in 32oz., 1, 5, 15 & 55 gallon sizes

### D1024 Cleaner/Degreaser - 115

This concentrated 100% BIODEGRADABLE formula is specifically designed for heavy degreasing and cleaning. It delivers powerful degreasing performance while utilizing environmentally safe ingredients. Easily removes grease, grime, oil and dirt. Neutral pH! Dilution rates up to 50:1

Available in: 1, 5, 15 & 55 Gallon

### Glass & Hard Surface Cleaner - 139

Industrial strength glass cleaner combined with a grease cutter that is hard to beat. This special combination works quickly & easily. *Just spray & wipe! No streaking!* Use on glass, chrome, stainless steel, Formica, painted metal and many other hard surfaces. Non-ammoniated, ready-to-use formula.

Available in: 32oz, 1, 5, 15 & 55 Gallon

***This really works!***

### Ultra Kleen™ Upholstery Cleaner - 274

This complete fabric cleaner uses a rich foaming compound that suspends all surface and embedded soils. Safe for use on any fabric and protects against resoiling. Neutralizes odors and leaves carpet with a fresh clean scent. Apply full strength.

Available in: 32oz., 1, 5, 15

& 55 gallon

### Aluminum Clean & Bright - 150

This formula uses new technology to blast through oxidation and restore luster on uncoated aluminum, brass, copper & silver. Quickly removes road film, diesel soot & fuel stains from aluminum diamond plate & chrome fuel tanks. Contains no corrosive hydrofluoric acid. Just spray on and rinse clean.

Available in: 1, 5, 15 & 55 Gallon

# KORKAY® Auto Care Product Line

## Washes

### Wash & Wax - 165

Highly concentrated biodegradable detergent plus an emulsified wax developed specifically for hand washing. It will leave your car clean and sparkling. The addition of the emulsified wax helps bead the water and reduce drying time. Mix 1 oz Wash & Wax to 2 gallons of cool water.

Available in 16oz, 1, 5, 15 & 55 gallon sizes

### Cherry Bomb - 307

Cherry Bomb High Foaming Concentrated Car Wash by Korkay® is tough on dirt and grime. This premium formulation provides a thick durable foam to lift off dirt and soils while rinsing clean. Perfect for cleaning any truck, automobile, motorcycle or tractor and can be used in diesel garages, schools, auto shops, detail bays and race teams.

Available in 1, 5, 15 & 55 gallon sizes

### Truck, Bus & Commercial Wash - 108

Korkay Truck, Bus & Commercial Wash is formulated for use for the exterior cleaning of construction equipment, buses, trucks, commercial equipment and vehicles. This powerful cleaner will remove dirt, grime, and bugs as well as brake dust and road film. It rinses clean, restoring finish gloss without streaking.

Available in 1, 5, 15 & 55 gallon sizes

## Wax and Polishes

### Perma Glaze Wax™ - 167

The ultimate breakthrough in automotive polish. Contains the finest blend of hard waxes and silicones for producing a detergent resistant, long lasting showroom shine. Seals out salt, rain, ice and snow. Reduces dirt and dust accumulation. Apply by hand or with a machine and wipe off.

**Apply in the shade or direct sunlight.**

There is no other car wax faster or easier.

Available in 16oz bottles

### Megashine™ Metal Polish - 121

Industrial-strength polish shines like no other metal polish with minimal effort. Cleans, polishes and seals brass, chrome, stainless steel, copper, silver, gold aluminum, magnesium, aluminum alloys, nickel, zinc, tin, bronze, and pewter.

Available in 16 oz & 55 gallon sizes

### Speed Wax - 267

This totally unique formula repels water, withstands multiple car washes, and adds additional protection to your finish. Safe on all paint types including the latest clear coats. Can be used daily to remove loose contaminants, dust and grime.

Available in: 32 oz, 5 15, & 55 gallon

## Dressing and Protectants

### Restorz™ (Tire & Vinyl Dressing) - 176

Finish off that new car look with Restorz™ Tire & Vinyl Dressing. Gives newly cleaned tires or vinyl a fast shine that is effortless. Restorz™ contains more silicone than most brands providing a long lasting shine that protects and beautifies. Simply spray or wipe on, even through water.

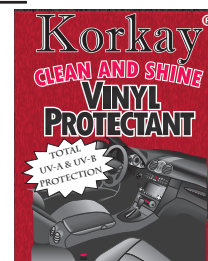

Available in 32oz., 1, 5, 15 & 55 gallon sizes

### Clean & Shine Vinyl Protectant - 276

Clean & Shine Vinyl Protectant by Korkay® both cleans and conditions vinyl, rubber and plastic surfaces by removing dirt, dust and oils, leaving the surface clean and supple. Its unique chemistry penetrates the surface to revitalize and nourish your material back to its original state. Water based formula with no VOC's or solvents, safe for interior use.

Available in 32oz., 5, 15 & 55 gallon sizes

### Leather Cleaner with Conditioner - 277

Leather Cleaner with Conditioner cleans and conditions finished leather, vinyl and plastic surfaces. Using Leather Cleaner with Conditioner removes dirt, dust and body oils - leaving a sanitary clean surface. It creates an invisible, performance enhancing barrier that reduces ink stains, dirt and body oils from penetrating surfaces. Fortified with rich conditioners it always leaves leather soft and supple.

Available in 32oz., 5, 15 & 55 gallon sizes

### Leather Conditioner Cream - 278

Leather Conditioner is a premium blend of conditioners and protectants which rejuvenates leather to look and feel like new again. Bolstered with U.V. sunscreen, Leather Conditioner helps protect leather from the damaging effects of the sun's harmful rays. The rich, creamy formula revitalizes leather with essential moisturizers to prevent leather from drying and cracking. Easy to apply, simply wipe on and walk away. Leather Conditioner restores finished leather to its natural soft supple feel.

Available in 16oz., 5, 15 & 55 gallon sizes
